

# CAMEROON BAPTIST CONVENTION HEALTH SERVICES (CBCHS)

Implemented by

Ref: CBC/DHS-L/21/6157

November 9, 2021

## PUBLIC NOTICE

### SUBJECT: CALL FOR HUMANITARIAN ACTORS IN THE NORTHWEST REGION

Within the context of the implementation of the Disability Inclusive Humanitarian Action (DIHA) Project within the Northwest Region, the Cameroon Baptist Convention (CBC) Health Services and Partners are calling on National Humanitarian Organizations working within the Northwest Region to express interest to take part in a Technical Assistance Initiative focused on building organizational and institutional capacities for disability inclusion in emergency response.

Interested organizations shall compose a file comprising the following:

- A letter of interest addressed to the Director of CBC Health Services indicating, domain of work, staff capacity (cadre and number of staff) and geographical scope
- A summary of activities implemented for the past 2 years
- Photocopy of authorization document.

Hard copies can be submitted at the Director of Health Services' Office, Nkwen Baptist Centre, or PDF copies sent to [bamendadhs@gmail.com](mailto:bamendadhs@gmail.com) with the Subject line "Call for Humanitarian Actors", on or before November 20, 2021.

This initiative supported with funding from the Federal Foreign Office (FFO) Germany through CBM is aimed at supporting selected organizations review and strengthen their systems to be inclusive. The selected organizations shall receive a Technical Assistance package consisting of an accessibility assessment, continuous capacity development, review and improvement of its system for, but not limited to, communication, project design and delivery, Monitoring, Evaluation, Accountability and Learning (MEAL)

For further inquiry on this call, please contact. Ms. Asheri Ngah, on email: [n\\_shery@gmail.com](mailto:n_shery@gmail.com) and Tel: 651082079.

Sincerely,

Prof. Tih Pius Muffih, MPH, PhD  
Director of Health Services
