### **PUBLIC NOTICE**

**SUBJECT: CALL FOR APPLICATIONS TO ENGAGE A CONSULTANT TO CONDUCT AN END OF PHASE EVALUATION OF THE INCLUSIVE EYE HEALTH IN THE CONTEXT OF COVID-19 RESPONSE PROJECT.**

The Cameroon Baptist Convention (CBC) Health Services requires the services of a consultant to conduct the end of phase evaluation of the Inclusive Eye Health in the context of Covid-19 Response Project. The aim of the evaluation is to inform future orientations of the Project beyond 2022. More specifically, the objectives are.

- to assess the outcomes of the implementation of the IEH Project: 2021 to 2022.
- to establish lessons learnt and identify future challenges;
- to reflect on the relevance, overall strategy and achieved results;
- to identify strengths and weaknesses and levers for sustainability;
- to determine the extent to which the project established a rewarding network with the CBID initiative of the CBCHS.
- to develop recommendations for the future focus, and for enhancing its organisational structures, core activities and operations.
- Document and provide evidence of what has been the significant changes since the inception of the Project.

The ideal candidate should possess the following minimum qualifications and skills:

- Post Graduate Degree in either Development Studies, Sociology, Anthropology, or Public Health.
- At least 5 years experience in conducting contextual analysis, research and program development.
- Excellent analytical, facilitation and report writing skills.
- Experience in the use of participatory and gender sensitive participatory research methodologies.
- Familiarity with socio-economic trends in Cameroon and a working knowledge of official and local languages will be an asset.
- Familiarity with Disability Inclusive Development will be an advantage.

Candidates that meet the qualifications, skills and requirements mentioned above should submit an expression of interest including;

- A technical proposal
- An Indicative budget
