PUBLIC NOTICE

PROGRAM EVALUATION CONSULTANCY POSITION

The Cameroon Baptist Convention (CBC) Health Services needs the services of a consulting firm to conduct the mid-term evaluation of a three-year Community AIDS Education Project phase that is being implemented in the Southwest Region of Cameroon.

The goal of the Project '*The Project contributes to the prevention of new HIV infections and treatment of AIDS, Malaria and other infectious diseases among people in the Southwest Region and nearby regions, including internally displaced persons.*'

Objectives of the Project:

1. The target population identify ways to reduce the risk of contracting HIV, Malaria and COVID-19
2. People living with HIV receive medical and psychosocial support.
3. The Internally Displaced Population and vulnerable community members have access to Malaria services (Education, Test and treatment)

The Terms of Reference are comprehensive and will be provided to the successful applicant after logistical arrangements have been agreed upon and included in it.

The minimum requirement for the Lead Consultant of the firm is a Master's Degree in a relevant domain. The competency, expertise, knowledge, skills and abilities requirement for potential candidates are:

1. A minimum of three years' experience in Project Evaluation, Proposal Development and Implementation
2. Experience in working with HIV and AIDS in Cameroon; knowledge of and previous work experience in the Southwest Region will be preferred
3. Experience in quantitative and qualitative data collection tool development, data collection and processing
4. Strong oral and written communications skills
5. Ability to communicate fluently in English
6. Ability to travel as required to remote areas in the Southwest Region
7. Availability to conduct the evaluation during the first quarter of 2023

Qualified and interested candidates should submit their applications to the Director of the CBC Health Services, using the email address: piustih@cbchealthservices.org, not later than December 12, 2022.

The application files should include;

1. A Technical Proposal
2. A Financial Proposal
3. Detailed CV of Consultant

Prof. Tih Pius Muffih, MPH, PhD
Director of Health Services
