PUBLIC NOTICE

SUBJECT: CALL FOR APPLICATIONS TO ENGAGE A CONSULTANT TO CONDUCT AN END OF PHASE EVALUATION OF THE PROJECT; COMMUNITY OF PRACTICE AS A LEVERAGE FOR SUSTAINING THE GAINS OF INCLUSIVE EDUCATION.

The Cameroon Baptist Convention (CBC) Health Services requires the services of a Consultant to conduct the end of phase evaluation of the project, Community of Practice as a Leverage for Sustaining the Gains of Inclusive Education. The aim of the evaluation is to assess the level of effective implementation of the project, as well as identify challenges and opportunities for improvement beyond 2023. Most specifically, the Consultant will:

1. Assess the successful attainment of project objectives in the light of already completed project activities.
2. Assess the impact of the Inclusive Education Community of Practice (IE CoP) project on the enrollment, retention, and performance of learners with disabilities.
3. Identify areas that require improvement to step up project effectiveness, efficiency, and sustainability.

The ideal candidate should possess the following minimum qualifications and skills:

a) Post graduate degree in either Development Studies, Sociology, Anthropology, or Public Health.
b) At least 5 years' experience in conducting contextual analysis, research, and program development.
c) Excellent analytical, facilitation and report writing skills.
d) Experience in Inclusive Education.
e) Experience with Community of Practice (CoP) dynamics.
f) Experience in the use of participatory and gender sensitive participatory research methodologies.
g) Familiarity with socio-economic trends in Cameroon. A working knowledge of official and local languages will be an asset.
h) Familiarity with disability inclusive development will be an advantage.

Candidates that meet the requirements above should submit an expression of interest including:

2. An Indicative Budget.

Interested applicants should collect a copy of the Terms of Reference for the Evaluation from the Office of the Director, Cameroon Baptist Convention Health Services, Baptist Center Nkwen, Bamenda, or the CBC Health Services, Resource Centre Mvam, Yaoundé.

All applications should clearly be marked "End of Phase Evaluation of the project: Community of Practice as a Leverage for Sustaining the Gains of Inclusive Education" and should be submitted through the following address, latest July 14, 2023: emails: edid@cbchealthservices.org, spd@cbchealthservices.org.
