Director of Health Services

**SUBJECT: APPRECIATION AND ENCOURAGEMENT**

I took over office on May 3, 2024, following my election on March 6, 2024, as the Director of Health Services. We have encountered numerous challenges during this transition period. However, I am deeply grateful for our significant progress as an organization. These achievements are a testament to your unwavering commitment, dedication, and resilience. Your steadfast service to our communities, ensuring our mission thrives despite potential distractions, is commendable and an accurate resilience marker.

I am thrilled to share that the Installation and Induction Service held on July 27, 2024, was a remarkable success due to your massive participation and support. Your dedication and hard work were heartwarming, often going above and beyond. This event was not just a formal ceremony but a jubilant celebration of the unity and strength that define CBC Health Services, a testament to your commitment and the pride we all share in being part of this robust and connected community.

In addition to these successes, we recently faced a very concerning situation with the theft of a baby from Ekoumdoum Baptist Hospital, Yaoundé. What could have escalated into a scandal was averted, thanks to the power of prayer, our collective sense of oneness, and the Grace of God. The child was safely recovered and handed to the rightful mother, and the celebration of this miraculous outcome echoed through all our facilities. This incident, more than anything, reminded us of the importance of our unity and the power of our shared faith. This unity not only makes us a strong, connected community, but it also serves as a constant source of inspiration and guidance in our work. We are reminded of the power of prayer and the strength of our faith during this time. As it is written in Ephesians 6:18, "And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep praying for all the Lord's people." This verse summarizes our belief that prayer can overcome challenges and that our unity and faith can move mountains.

Many of our staff members have been transferred to different stations this month; I want to extend my heartfelt prayers for your safe travels. Embrace your new assignments and stations as opportunities to sow seeds of excellence and compassion in new communities. Continue to serve diligently and shine the light of your commitment and faith wherever you go. For those receiving new colleagues, I encourage you to extend your full support and help them settle smoothly into their new roles. Together, we can ensure that our mission of providing exceptional care continues to thrive, no matter where we are stationed.

As we move forward, I want to extend my most profound appreciation to each of you for your hard work, dedication, and the spirit of unity that you continue to demonstrate. Let us remain focused, not allowing any challenges to deter us from our mission. I encourage you to keep up the excellent work, continue to support one another, and maintain the high standards of care and service that define CBC Health Services.

May God bless you all, and may He continue to guide us as we serve our communities with Love, Compassion, and Excellence.

Thank you.
