DISCLAIMER

There is a **FAKE** message circulating on social media that the Cameroon Baptist Convention (CBC) Health Services, in partnership with the German Cooperation and Christian Blind Mission (CBM), is launching an impactful 4-year project aimed at strengthening HIV/AIDS testing and counseling capacities across the Northwest, Center, and Littoral Regions of Cameroon and requesting candidates to submit applications to cbchealthcenter@gmail.com.

The CBC Health Services is not engaging in any such recruitment. Please disregard this information as it is not from the CBC Health Services. Not only is the above contact fake, but the CBC Health Services does not run any such project.

Please note that all CBC Health Services Public Notices are posted on notice boards in our different Institutions, shared through other official media or our website www.cbchealthservices.org. The public is therefore encouraged to always verify any information related to recruitments as indicated above, or with the Administrations in place.

Samuel Ngum, PGDip, MSc. (International Health).
Director of Health Services
